Correspondence

Thank you notes are sent into the Wayne County Mail and Times. Letters have been sent to colleges, Binghamton is only one to respond to date. Web site is down due to changes the HS is making to the server. Matt suggested we change our site to a dot com or dot org. This would be about \$150/year. Plus of this would be we can sell our clothing and fund raise on the site. Many questions asked about viruses and security. Motion was made to continue looking into moving our web site and seconded.

Unfinished Business

Wreath sale is complete. Eagle force is going well. There will be a board meeting with parents from Eagle force on Tuesday, Dec. 6th to discuss a pee wee tournament. It was agreed Eagle force has 3 levels, Intermediate, Pee Wee, and Advance Fee will be \$30.00 each. Parker let the club know there is a book he put together in the room with all the paperwork the coaches will take with them to any tournaments the group would go to. (wavers, and any injury reports)
Shirts were ordered at \$5.00 each as agreed and one for each coach (8 coaches)
Matt will go to a practice so he can get a photo of the boys to put up on the web.
Booster Club may look into a parent night or some type of information night to help parents understand the Eagle Force program. Many conversations around program. Suggested it was tabled until board meets with parents next week.

E-mails to Matt.

New Business:

Scott contacted Bill Gross and Chris Bourne for information for the plaques. Pam will order and pick them up. Mike will get Scott to write up what he wants on plaques.
