Unfinished Business:

-1000 Islands: August 3, 4, and 5th. Cost \$300 each team. Need to check with coach about teams that we are sending. To ensure attendance each wrestler will pay \$25 deposit that will be returned at the Islands to assure attendance.

-Posters made a nice profit. We have 2 that still need to be delivered to Lori Brooks, and our Accountant. It would be nice to add an engraved brass plate on the bottom. Mr. Knebel may be getting an engraving machine at the high school that we could use.

-Tournament software program: Tim has been in touch with Jeff Howard he thinks we can get one for less than \$150. Jeff will train (approximately 1 ½ hours) and help with our first tournament.

www.brownbagdata.com has demos we can try. Everyone encouraged to check out the demos, and get feedback to Tim ASAP. Tom will e-mail Matt Prinsen to try out also. We will need a laptop to install program on. Does the school have one we can use? If not maybe go refurb.

New Business:

-Spaghetti Dinner: Checking on date and place. (Possible Nov. 1st, 2007) Tabled discussion till July meeting. Save bottles and cans from dinner for can drive the next weekend.

-Bottle and Can drive: Set for November 3rd

-JV Duals Tournament: Wayne to host (Possibly December 1st) Check with coach if Varsity going to tournament that weekend may want to go with a different date.
