Last Months Minutes:

Approved with the following corrections; Time of youth wrestling changed to 6-7:30PM. Date of the Binghamton match November 18th.

Treasury Report:

5-8th grade youth program 45 kids (\$1125) Need to get sizes and place shirt order. Spaghetti dinner made \$1200 (Pd \$100/supplies, and rented fire hall/\$75). We have approximately \$3000 now. We should be ok for the season without doing raffle. May want to do another can and bottle drive. We will need to pay for BJ's Membership, Insurance, Senior night flowers, 7 coats@ \$70each, concession supplies, banquet. Jodi estimates having \$2000 for next season.

Ways and Means:

Jim and Pam are looking for donations for certification at this time of healthy snacks. Email will be sent with items that have been supplied and asking for other donations. We already have PowerAde and water that can be sold. We have juice for our boys, that was donated, and cannot be sold. We will keep stuff for Wayne boys separate from concessions.

Correspondence:

Tom will be fixing youth wrestling form, and schedule. Tom's power point is being worked on by David Lukasik thru the high school. We are working on having it shown at the schools for recruitment.

Wayne Wrestling Club:

Forms went out to kids some with price of \$20 and no T-Shirt and some with \$25 and a T-Shirt. Joe asked all to pay \$25 and give size so that all will get the same. Kids showed up and said they sent in paper and they were not on Joe's list. To fix this from happening in the future any old forms should be deleted from computers (coach) and Tom will mail correct form out tomorrow. All forms should be mailed to the P.O. Box, and given to Joe before the first night of the program. Tom to send new form to Matt Prinsen for the website. First session has 45 kids. Forms have started going out for 2nd session.
